

Here is an outline of what learning will be provided online for your child. The lessons can be done in any order. As well as learning tasks, there are Class Google Meets, which will be a chance for your child to see their teacher and classmates. We are also providing online meetings where the teacher will talk you through the tasks that are being set for the week.

Reception Remote learning Plan						Parent information session
	Literacy/Writing	Phonics and Reading	Maths	Wider Curriculum	Join in Live Online	
Monday	Literacy Unit task	Phonics lesson <i>(Your child's individual link will be posted on their Google Classroom every morning)</i>	PowerMaths task	One task will be set each day, linked to one of the other areas of learning.
