

CERTAINTY WITH CHG-MERIDIAN: SCHOOL & ACADEMIES SPECIALISTS

For over 40 years, CHG-MERIDIAN has been helping a wide range of schools and academies save both time and money, by providing them with customised leasing concepts. How is this possible exactly?

By enabling our customers to move to an 'as a service' model we can cover every aspect of the assets lifecycle, meaning all you have to do is simply decide on the IT equipment you wish to rollout.

+1,000

UK Schools

Have current lease agreements with CHG

+500,000

Students

Learning on, or have access to CHG leased equipment

+50 %

Training future scientists

Over 50 % of UK hospitals treat patients using CHG leased equipment

Teaching Design

Drive a German car?
It's probably been manufactured or designed on CHG leased equipment

OUR ETHOS

Sustainability

An end-to-end approach to lifecycles makes it possible to rethink traditional business models and procurement processes.

Our extensive remarketing experience enables us to increase the life of technology equipment and ensure its sustainable reuse.

Student & Staff Wellbeing

The digital workplace and remote learning is not a vision of the future, it's now a reality.

We provide schemes for students and staff that create a flexible and state-of-the-art learning environment that nurtures creativity and encourages collaboration; ensuring that you contribute to have a highly skilled workforce supporting motivated students.

carbonZERO

With carbonZERO, CHG's carbon-neutral leasing option, the production, transportation, use phase and end-of-lease phase of your financial IT assets can now be certified carbon-neutral, ensuring sustainable IT procurement.
