

Our Lady and Saint Patrick's Roman Catholic Nursery and Primary School

Sports Grant strategy statement

In 2013 the government announced new funding for school PE and sport. Our Lady and Saint Patrick's receives approximately £9000. We aim to improve the quality of PE and sport provision, so all pupils access a healthy lifestyle and reach their capabilities. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

What outcomes are we working towards?

- Outstanding PE provision across the school.
- All children to have access to competitive competition.
- Identification of able and gifted children and established pathways to local clubs/coaching.
- Greater participation in school sporting clubs.
- Encouraging all pupils towards immediate and long-term participation in sport and physical activity
- Engaging the least active pupils in school and through after school activities

4. Review of expenditure				
Previous Academic Year 2016-17		Total received 2016-17 £8895		
The small carry forward is as a result of the lengthy process for applying for grants and planning outdoor equipment				
Desired outcome	Chosen action/approach	Estimated impact:	Lessons learned (and whether you will continue with this approach)	Cost
Greater CPD opportunities for the staff	Staff training available through Partnership agreements Focus on Gymnastics CPD for selected teachers through support from Go Active	Improved provision of gymnastic lessons, planning and execution. Increased staff confidence in delivering gymnastic lessons More focused lesson planning	The Partnership agreement was part of a two year contract – this approach to continue. The Partnership opportunities and CPD to be more widely utilised through year groups – TA support where necessary to ensure full pupil participation as analysis of the year indicates overreliance on PE lead to drive participation SLA with Go-Active to be reviewed Half-Termly Introduction of new sports to start with taster sessions Each teacher to receive 1 Hour CPD per week on a rota with initial focus basic skills – then curriculum sports throughout following terms	SDA £3995 Go Active £1200
