At all times, the well-being and care of our pupils is our highest priority. Where errors are made, we endeavour to acknowledge and rectify them.

Definition of a complaint

A complaint is a clear expression of dissatisfaction, however made, by a person or persons with a legitimate interest in the school (but not being employed at the school or on the Local Governing Board).

A complaint covers the following:

Anonymous complaints

There is no duty for Headteachers or Governors to pursue anonymous complaints. However, if an anonymous complaint conveys information which may be damaging to the school, it is the Headteacher's decision whether a case needs further investigation.

Vexatious complaints

The term 'vexatious' reaches wider than complaints.

It is not appropriate to make personal accusations or attacks on members of school staff, or to raise matters that are not about education or a child's well-being. It is also not appropriate to make unsubstantiated allegations against the school, or to behave unreasonably by not engaging with the school to attempt a joint resolution.

In the event that the school deems a complaint to be malicious or vexatious, school leaders may respond by explaining why they consider this to be case and state that the complaint is deemed to be closed.

If a complainant attempts to reopen issues that have been dealt with through the complaints procedure it should be explained that the procedure has been exhausted.

If a complainant acts unreasonably by continuing to raise similar issues or raising a range of unrelated issues on a repeated basis, then the school can reserve the right not to respond. In these instances however, care should be taken not to dismiss any new complaints that have been raised alongside previous complaints.

If the complainant believes that the school has acted unreasonably they may appeal to the Department for Education.

Who is allowed to complain?

This policy may be used by parents or carers of pupils at the school. Although there is not a statutory requirement to respond to other parties who raise a concern or complaint about the school, where it is considered appropriate to respond, this policy will be followed.

Complaints from parents and carers will always be investigated so that the school can ensure that all statutory duties are being met and, if not, address the issues raised and learn from them, for example child protection issues may only come to light after the pupil has left the school.

When should this policy not be used?

Circumstances under which this procedure should not be used include:

- Pupil admissions
- Pupil exclusions
- Statutory Assessment of Special Educational Needs

- Issues related to child protection
- Criminal investigations
- Employee grievances

This complaints policy is distinct from formal staff disciplinary proceedings and this should be made clear to all concerned. There may be occasions where a complaint gives rise to disciplinary procedures which put the complaints process on hold. If and when this occurs, the complainant should be informed. Any non-disciplinary aspects of the complaint should continue to be dealt with through the usual complaints procedures.

This policy does not cover complaints made against Plymouth CAST. Any complaint of this sort should be dealt with in accordance with the Plymouth CAST Complaints Procedure.

The Complaints Process

There are 3 stages outlined in the complaints procedure:

- Stage 1 Informal complaint (concern)
- Stage 2 Referral to Head Teacher
- Stage 3 Complaint referred to the relevant member of the Local Governing Board.
- Stage 4 Hearing by Local Governing Board complaints panel
- Stage 5 Review of the process and documentation by Plymouth CAST to ensure:
 - Appropriate processes have been followed
 - Conclusions are appropriate
 - Make any recommendations to the school
 - Inform the parents of their findings of the review
 - Plymouth CAST will not repeat Stages 1-4 of the process.

In the majority of cases, we seek to resolve complaints informally (Stage 1) before being escalated.

In some cases at Stage 1, it may be deemed appropriate that the complaint is dealt with by the Headteacher. This does not preclude the Headteacher responding to the complaint more formally at Stage 2. If parents consider Stage 1 to be ineffective in resolving their complaint, they should complete the Record of Complaint (appendix 2).

In all cases where the complaint concerns the school's headteacher directly, Stage 2 will be missed out and the complaint will be escalated directly to Stage 3.

At all stages those hearing the complaint will attempt to identify areas of agreement between the parties, and to clarify any misunderstandings that might have occurred in order to create a positive atmosphere in which to discuss any outstanding issues.

If and when complaints about the school are brought to the attention of Plymouth CAST, complainants will be advised to contact the school and to follow the procedures set out in the school's complaints policy.

If all stages of the complaints process have been followed and completed in full, parents may contact Plymouth CAST.

Monitoring complaints

The school's complaints coordinator is responsible for the operation and management of the school complaints policy and is responsible for monitoring complaints. Records are retained within school for 6 years from the date of resolution and are then destroyed.

At Stage 1 the Parent Concern Record should be completed and submitted to the complaint coordinator.

At Stages 2, 3 and 4 the following information should be recorded:

- The name of the complainant

- The date and time at which complaint was made
- The details of the complaint
- The desired outcome of the complainant
- How the complaint is investigated (including written records of interviews held)
- Results and conclusions of investigations
- Any action taken
- The complainant's response (satisfaction or further pursuit of complaint).

Much of this information will be submitted in the Record of Complaint, but the complaint coordinator will ensure that all of the above information is recorded.

Outcome of complaints

At Stages 2, 3 and 4 of the complaints procedure, the conclusion will be either:

That the complaint is upheld (in part or in full) and, where appropriate, some form of action is taken.

It may be appropriate to offer one or more of the following:

- An apology
- An explanation
- An admission that the situation could have been handled differently or better
- An assurance that action will be taken to prevent a recurrence of the situation leading to the complaint
- An explanation of the steps that have been taken to ensure that it will not happen again
- An undertaking to review school policies in light of the complaint.

Or

That the complaint is not upheld and reasons for this are clearly given.

Escalation to the next stage

The complainant may either choose to take no further action or will be advised of how to take the complaint to the next relevant stage of the complaints policy.

After each stage, the complainant has up to 15 working days to decide whether the move to the next stage of the complaints process. If the complaint is not submitted to the next stage within this agreed time limit it will be considered as closed.

Changes to time limits and deadlines

In the vast majority of cases, the time limits and deadlines contained within this policy will be adhered to by the school. However, in certain circumstances it may be inappropriate or impractical, for example, if an investigation cannot be conducted due to school holidays or illness.

Where a complaint leads to criminal proceedings this will always be the case.

If and when it becomes necessary to alter the time limits and deadlines set out within this policy, the complainant will be told and given an explanation as to why this has been the case.

Confidentiality

All conversations and correspondence will be treated confidentially. Personal information will only be shared between staff and governors on a 'need to know' basis. Confidentiality will be maintained within the Local Governing Board to ensure sufficient governors have no prior knowledge of the complaint to enable a complaints panel to be convened, if required, at Stage 4.

Accompaniment

It is an expectation that equal respect will be granted to each person involved within the process and that differences between people will be respected and understood. This includes the complainant's right to be accompanied by a friend or relative at discussions and hearings and/or to submit formal complaints, which have been written by another individual on their behalf.

Record of complaints

Regulations require that a written record be kept of all complaints that are made, stating:

- whether they are resolved following a formal procedure, or proceed to a panel hearing
- any action taken by the school as a result of those complaints (regardless of whether they are upheld)

Correspondence, statements and records relating to individual complaints are to be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

Summary of Timescales

Stage	Description	Response
Stage 1	Discussions with relevant member of staff and/or headteacher	Acknowledged within 2 school days Usually responded to in full within 10 school days.
Stage 2	Written complaint to Headteacher (see appendix 2)	Acknowledged within 2 school days Response normally within 10 school days.
Stage 3	Written complaint for the attention of the Local Governing Board (see appendix 2)	Acknowledge within 2 school days. Response normally within 10 school days.
Stage 4	Appeal heard by Complaints' Committee Hearing (appeal to be made within 10 working days of receipt of the Stage 3 outcome letter.)	Acknowledge within 2 school days. Hearing set up within 20 school days with 10 working days' notice of meeting. Agenda and papers sent out 7 school days in advance. Decision letter within 10 school working days.
Stage 5	Written complaint to Plymouth CAST	Acknowledge within 2 school days. Review of complaint process completed within 30 school days. Written response will typically be sent within 10 school days following the investigation. However, if legal advice is required, a further period of up to 30 school days may be required.

Stage 1: Informal complaints (concerns)

Parents are encouraged to raise concerns informally.

If the concern is raised informally, parents should be clear that they would like a response. At this point, the person who received the concern will set up a Record of Concern (appendix 1) and forward to the complaints administrator.

Informal complaints will be acknowledged and, if possible, responded to within two days. Where possible, the first response will conclude the matter.

In the event that it is not possible to respond in full, the response will acknowledge the concern, identify a future date (within 10 days) by when a further response will be provided and state who will be investigating the matter.

At each point of communication, it will state the next date by when a response will be received. Each communication from the school and parent response will be logged in the Record of Concern. The concern will be dealt with the staff member deemed most appropriate to resolve the concern.

Once the concern is deemed to have been resolved by the parent, the complaints co-ordinator closes the record.

To raise an informal complaint (concern), the complainant should:

1. Ensure this is the current policy to resolve the issue being raised (see page 6).
2. Speak in person or by phone, email or write to an appropriate member of staff (appropriate in that they are able to record and action the complaint).
3. If the person spoken to is able to complete a Record of Concern at the time, no further action from the complainant is required.
4. If the person spoken to is not able to complete a Record of Concern at the time, the complainant should ask for someone to contact them before the end of the current school day.

To resolve an informal complaint, the school should:

1. Forward the Record of Concern to the complaints co-ordinator
2. The complaints co-ordinator will identify who should deal with the concern
3. The complaints co-ordinator will contact the complainant within two school days to acknowledge the complaint and inform the complainant who will be handling the concern
4. The person dealing with the concern will investigate, keeping the complaints co-ordinator informed about the outcome and planned response to the complainant.
5. Provide a response, normally within 10 school days.

Response:

The person dealing with the complaint will respond to the complainant. Usually, the response to an informal concern is verbal. The member of staff should ascertain whether the complainant feels the concern is resolved and should record what has been said.

In the event that the complainant is not satisfied with the response, he/she will be referred to the school's complaint policy and informed how to move on to Stage 2.

Stage 2: Referral to the Headteacher

In the event that raising a concern informally does not resolve the issue, parents should complete the Record of Complaint (appendix 2) and submit it electronically for the attention of the complaints co-ordinator. Additional documentation may be attached with the form.

This is the second stage of the complaints process and, as a result, all communications between parties need to be carefully recorded and monitored.

Complaints will not be considered until the following information has been collected:

- The name of the complainant
- The date and time at which complaint was made
- The details of the complaint
- The desired outcome of the complainant

By completing the Record of Complaint, we can be sure that all the required information is received and that there is a clear and traceable email trail. The Record of concern from Stage 1 will be taken into account.

When a complaint is made directly against the school's headteacher, Stage 2 should be omitted and the complaint should escalate to Stage 3.

The Record of Complaint will be acknowledged within two working days, and confirm when a final response should be received (usually no later than 10 school days)

To make a formal complaint at Stage 2, the complainant should:

1. Ensure that this is the correct process for dealing with the complaint (page 6)
2. Complete the Record of Complaint (appendix 2) ensuring that the information listed on page 8 is included, and that the relevant stage is ticked.
3. Ensure that all the relevant allegations are included in the documentation as, once a complaint is investigated at Stage 2, it is not possible to change or add to the allegations.
4. Email the Record of Complaint and any relevant additional documentation to the school office for the attention of the complaint co-ordinator, and requesting a read receipt.
5. Check you have received acknowledgement of your complaint within 2 school days. If not, please contact the school office to ensure it is being dealt with.

To resolve a formal complaint at Stage 2, the school should:

1. Forward the Record of Complaint to the complaints co-ordinator
2. The complaints co-ordinator will confirm with the Headteacher that the normal response time applies
3. The complaints co-ordinator will contact the complainant within two school days to acknowledge the complaint and inform the complainant that the Headteacher will respond usually within 10 school days
4. The Headteacher will investigate the complaint, keeping the complaints co-ordinator informed about the outcome and planned response to the complainant.

Response:

The headteacher will provide the complainant with a full written response within 10 school days of acknowledging it. This response will determine whether or not the complaint has been upheld, the reasons why, and what action (if any) will be taken.

The response will provide details of how to move on to Stage 3, if the complainant is not satisfied.

Stage 3: Complaint referred to the relevant member of the Local Governing Board

In the event that raising a concern formally with the Headteacher (Stage 2) does not resolve the issue, parents should complete the Stage 3 section of their original Record of Complaint (appendix 2) and submit it electronically, with a read receipt to the school office, for the attention of the complaints co-ordinator. Additional documentation may be attached with the form.

The Record of Complaint will be acknowledged within two working days, and confirm when a final response should be received (usually no later than 10 school days)

To make a formal complaint at Stage 3, the complainant should:

1. Complete the additional section of the Record of Complaint (appendix 2), detailing why the response at Stage 2 was not sufficient
2. Email the Record of Complaint and any additional documentation to the school office, for the attention of the complaint co-ordinator.
3. Check you have received acknowledgement of your complaint within two working days. If not, please contact the school office to ensure it is being dealt with.

To resolve a formal complaint at Stage 3, the school should:

1. Forward the Record of Concern to the complaints co-ordinator
2. The complaints co-ordinator will liaise with the relevant governor to confirm that the normal timeframes will apply and forward all previous documentation
3. The complaints co-ordinator will contact the complainant within two school days to acknowledge the complaint, inform the complainant which governor will be handling the complaint and when the governor is likely contact the parent
4. The relevant governor will investigate the complaint. As part of this process, the governor may interview the parent, member of staff and other adults. In the event that the governor deems it necessary to interview pupils, this will be discussed with the Headteacher before any action is taken.
5. The governor will keep the complaints co-ordinator informed about the outcome and planned response to the complainant.

Response:

The relevant governor will provide the complainant with a full written response, usually within 10 school days of acknowledging it. This response will determine whether or not the complaint has been upheld, the reasons why and what action (if any) will be taken.

The response will provide details of how to move on to Stage 4, if the complainant is not satisfied.

.

Stage 4: Hearing by Local Governing Board Complaints Panel

If the complainant remains unsatisfied following an investigation by a governor, they can ask for their complaint to be referred to a governor complaints panel.

The complaints panel will be clerked by a member of the school staff, the clerk to the Local Governing Board or another governor.

The panel will generally consist of three people, at least two of which are likely to be governors. The third member of the panel will be independent of the leadership and management at the school, for example, a governor from another school in the trust. The two governors from the school must not have been involved in making decisions in regard to the complaint. The panel should elect its own chair.

Acknowledgement and time scales:

The Chair of Governors should acknowledge receipt of the complainant's letter within 2 school days. This letter will inform them that their complaint will be heard by a complaints panel within 20 school days.

To make a formal appeal at Stage 4, requesting a hearing by the Local Governing Board complaints panel, the complainant should:

1. Submit the appeal within ten working days of receipt of the Stage 3 outcome letter.
2. Complete the additional section of appendix 2, detailing why the response at Stage 3 was not sufficient
3. Email the form to the school office, for the attention of the complaint co-ordinator.
4. Check you have received acknowledgement of your complaint within two working days. If not, please contact the school office to ensure it is being dealt with.

To resolve a formal complaint at Stage 4, the school should:

1. Forward the Record of Complaint to the complaints co-ordinator
2. The complaints co-ordinator will liaise with the Clerk to the Governors to co-ordinate a panel of three governors to hear the complaint.
3. The Clerk to the Governors will formally write to the complainant, the headteacher and any other relevant staff or witnesses and inform them:
 - Of the date, time and venue of the hearing
 - How it will be conducted
 - Request for any supporting documentation by either the complainant or the school which must be returned to the Clerk no later than 5 school days before the hearing takes place; this should include any request from supporting witnesses or representatives to attend with either party
 - Of the rights of accompaniment as outlined in this document.
4. The clerk will ensure that all parties receive all relevant documents at least 3 school days before the date of the hearing so as to allow individuals to familiarise themselves with them.
5. Conduct the hearing in a fair, unbiased and respectful manner, ensuring all parties are heard (please see appendix 3 for guidance on conducting the hearing).
6. The Chair should allow each party involved to explain their understanding or interpretation of events and for the panel to question them for further clarification. **(Complainants do not have to attend the hearing if they would prefer not to, and all written evidence will be considered. In the event that complainants do not attend, the hearing should proceed and resolution should be reached.)**

7. After the hearing, the panel will consider the complaint and all the evidence presented and:
 - reach a majority decision on the complaint
 - decide or recommend upon the appropriate action (if any) to be taken
 - where appropriate, suggest changes to, or request a review of, the school's systems or procedures to ensure that problems of a similar nature do not happen again.
8. This information will be included in letters to both the headteacher and the complainant.

Response: The chair of the panel will provide the complainant (and school leaders) with a full written response to confirm the outcome of the hearing within ten school days of the hearing. This response will determine whether or not the complaint has been upheld, the reasons why and what action (if any) will be taken.

The response will provide details of how to move on to Stage 5, if the complainant is not satisfied.

Stage 5: Review of the complaints process by Plymouth CAST

Stages 2, 3 and 4 have to be completed before a complaint can be escalated to Stage 5: referral to Plymouth CAST.

Stage 5 does not provide an opportunity to repeat Stages 2, 3 and 4. However, if Plymouth CAST finds that any aspect of the process was incomplete, the school may be asked to complete the process.

To request a review of the complaints process by Plymouth CAST, the complainant should:

- Complete the final section of the original Record of Complaint (appendix 2)
- Submit the Record of Complaint, the responses from Stage 2, 3 and 4, along with the evidence presented at the hearing (from both sides) to complaints@plymouthcast.org.uk
- Ensure you have received an acknowledgement, the name of who will be dealing with the complaint and the timeframe by which you should receive a response

Plymouth CAST should:

Contact the complainant to acknowledge the complaint, provide the name of who will be dealing with the complaint and the timeframe by which a response will be sent

The complaints co-ordinator at the trust will maintain an overview of the complaint and ensure deadlines are met

The person with responsibility for handling the complaint will review the process and evaluate the way in which leaders have responded to the complainants concerns.

If the responsible person identifies that aspects of the process have been missed, or carried out ineffectively, a recommendation may be made for the school to repeat part or all of a stage. The responsible person will evaluate to what extent this has affected the outcome of the complaint.

The responsible person will respond to the complainant within 30 days of the acknowledgement. The response will comment against each stage, and identify any ways in which the process could be improved for future complaints.

This concludes the complaints process.

If the complainant is not satisfied the Secretary of State, Ofsted or the Department for Education

The Secretary of State has the power to consider complaints that the Local Governing Board has acted unreasonably in the discharge of any of its statutory duties.

The Chief Inspector (Ofsted) has the power to investigate complaints about the school as a whole. (Standards of education, welfare of pupils and school management). Ofsted will not normally investigate cases to do with individual pupils.

Parents may seek advice from the Department for Education at www.dfe.gov.uk.
